Dear colleges **Lisztuania team**

**Dear friends**

Today is a sunny day for us. As it's the day of international recognition of the activities of **Lithuanian Liszt Society**, that we named "**Lisztuania**".

We hope that collaboration in-between **Liszt Festival and Lisztofonija competition** will be successful in long term

and will bring the large opportunity for the young generations to promote Liszt Ferenc heritage and cultural values of our two country's.

**Köszönöm**
